It is a curse alike to the victor and vanquished, and sometimes a greater curse to the victor than the vanquished. While the late war between the States wasted the wealth of the South, and reduced the people to poverty, it also wasted the morals of the North, and plunged it into deep degradation. The South will recover its wasted wealth, wasted morality, and since it is better to be poor than immoral, the beginning, many things would be ticle done, would be left undone.
